What is Covered New Vehicle Limited Warranty

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. (“Kia”) warrants that it will arrange for an Authorized Kia dealer at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. Authorized service facilities will remedy such failures to function properly at Kia’s expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. When an Authorized Kia Dealer makes necessary repairs pursuant to the warranty, it may do so using parts that are new, repaired, remanufactured, reconditioned, or otherwise authorized by Kia. These parts will be covered by the terms and conditions of the Replacement Parts and Accessories Limited Warranty. If an Authorized Kia Dealer declines or fails to carry out a proper repair or replacement covered by this limited

warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by this New Vehicle Limited Warranty and, if so, (b) obtain cooperation from an Authorized Kia Dealer to conduct such repair or replacement without charge to you. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

Parts replaced under any warranties in the Manual become the property of Kia.

1. The Warranty Period

The New Vehicle Limited Warranty is divided into various warranty periods. For the purpose of all warranties contained in this Manual (other than warranties on replacement parts or accessories installed after the Kia Vehicle was placed into use), the warranty period begins on the Date of First

Service. “Date of First Service” means the first date the Kia Vehicle is delivered to the first retail purchaser, is leased or is placed into service as a company vehicle use (e.g., as a demonstrator, rental or fleet vehicle), whichever is earliest. Moreover, whenever this manual refers to a warranty period of months/miles, it means whichever comes first. Any remaining portion of any warranty, except the 120 month/100,000 mile Power Train (Original Owner) warranty, is fully transferable to subsequent owners.

2. Warranty Coverage

• Basic Warranty Coverage

Except as limited or excluded below, all components of your new Kia Vehicle are covered for 60 months/60,000 miles from the Date of First Service, whichever comes first (Basic Limited Warranty Coverage). This Warranty does not cover wear and maintenance items, or those items excluded elsewhere in the Manual. See “Exceptions” and “What is Not Covered.”

• Power Train Coverage

For Original Owners (defined below), the Power Train Limited Warranty begins upon expiration of the 60 month/60,000 mile Basic Limited Warranty Coverage, and will continue to cover the following components up to 120 months or 100,000 miles from the Date of First Service, whichever comes first. It does not cover normal wear and tear, maintenance, or those items excluded elsewhere in this manual. See “Exceptions” and “What is Not Covered.”

The items covered by the Power Train Limited Warranty include:

- **In the Engine:** Cylinder block, cylinder head and all internal parts, timing gear, seals and gaskets, valve cover, flywheel, oil pump, water pump and turbo charger.
- **In the Transaxle:** Transmission case and all internal parts, torque converter, drive shafts, universal joints, front hubs, bearings, seals and gaskets.
- **In the Axles:** Axle shafts and C-V joints

(couplings), seals, hub and wheel bearings.

- **In the Transmission:** Transmission case, transfer case, torque converter and all internal parts, seals, and gaskets.
- **In the Differentials:** Front and rear differential assemblies, cases, all internal parts, seals and gaskets.
- **In the Propeller Shafts:** Drive shafts, universal joints.

- **Original Owner**

An Original Owner is defined as the first retail purchaser or lessee of the Kia Vehicle who takes delivery of the Kia Vehicle on its Date of First Service. If the Kia Vehicle was first placed in service as a lease vehicle, and the lessee purchases the vehicle at the end of the lease, the 120 month/100,000 mile Power Train Limited Warranty remains in effect. The Power Train Limited Warranty is not transferable to subsequent owners.

- **Vehicles Placed in Commercial Service**

The 120 month/100,000 mile Power Train Limited Warranty also excludes all coverage for any Kia Vehicle that has been placed into any form of commercial service, including but not limited to taxi, route delivery, livery service, or rental.

- **Adjustment Coverage**

Service Adjustments are covered for the first 12 months/12,000 miles. Service adjustments means minor repairs not usually associated with the replacement of parts, such as wheel balance and alignment, freeplay or tension adjustments of cables, belts, levers and pedals, engine adjustments (idle speed, etc.), body parts and fittings.

3. Exceptions

The items specified below are covered for periods different from the basic coverage.

- **Air Conditioner Refrigerant Charge**

Air conditioner refrigerant charge is covered for the first 12 months of the warranty period regardless of mileage. Over the balance of the warranty period, refrigerant charge is covered only when replenished as part of a warranty repair.

- **Audio / Entertainment System**

An original equipment radio, compact disk player, OE DVD / RSE (Rear Seat Entertainment System) or navigation system is covered for the first 36months/36,000 miles.

- **Battery**

The original equipment battery is covered by a limited warranty for a period of 36 months/36,000 miles. During 36 months/36,000 miles of the warranty period, a defective battery will be replaced at no cost to you. Kia will cover diagnostic, installation and replacement battery costs.

Kia will not reimburse you for any portion of the cost of a non-Kia replacement battery.

- **Brake and Clutch Linings**

Brake linings, including pads and shoes, and clutch linings are warranted for 12 months/12,000 miles, whichever comes first, if they fail to function properly during normal use. Brake linings are designed to wear out as part of the process of stopping your vehicle safely and consistently while providing reasonable levels of noise and vibration during normal use. Brake or clutch linings function properly during normal use even if they need replacement in less than the full warranty period. Rather, most replacements at lower mileage are required by driver usage habits which can cause high rates of wear. In addition, brake lining wear is substantially increased by environmental conditions such as exposure to road salt or due to regular driving in stop and go rush hour traffic. The more wear factors which are present, the more rapid the wear. Resulting repairs and replacements of linings are not covered by your warranty.

- **Paint**

Paint repairs due to non-impact discoloration, fading, cracking, chipping, or flaking are covered for the first 36 Months/36,000 miles.

- **Seat Belt Warranty-Kansas**

The seat belts in Kia Vehicles originally sold in the State of Kansas are covered under the New Vehicle Limited Warranty for a period of 10 years, regardless of mileage, when the repairs are performed by an Authorized Kia Dealer in Kansas.

4. Limited Liability

Liability under this warranty is limited solely to the repair or replacement of factory installed parts if they fail to function properly during normal use. Such repair or replacement shall be carried out by an Authorized Kia Dealer at its place of business. This warranty does not include any other expense, including but not limited to those for any replacement transportation or for the loss of use of your Kia vehicle.

It is your obligation to ensure that you obtain all fuels, oils and lubricants from reliable vendors using quality products which meet the Kia specifications identified in your Owner's Manual.  - Damage caused by unauthorized modification to functionality or capability
 - Installation of unauthorized or unapproved software,

Salvage or Total-Loss Vehicles

- Any Kia Vehicle that has ever been or should have been issued a “salvage” title or similar “branded” title under any state’s law; or has been declared a “total loss” or equivalent by a financial institution or insurance company. This exclusion does not apply to Emission Warranties, Replacement Parts Limited Warranty or any recalls or campaigns.

Production Changes

- Kia and its Authorized Kia Dealers reserve the right to make changes in vehicles built and/or sold by Kia and its Authorized Kia Dealers at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold.

Your Responsibilities in Order to Maintain Your Warranties

Maintenance

You are responsible for properly operating and maintaining your Kia Vehicle in accordance with the instructions described in your Owner's Manual. If your vehicle is used under severe driving conditions, you must follow the maintenance requirements described in your Owner's Manual for severe driving conditions in order to maintain your warranties.

Maintenance Records

You are required to retain maintenance records since it may be necessary in some instances for you to prove that the required maintenance has been performed. The "Scheduled Maintenance Record" beginning on Page 34 should be filled in when regular maintenance is performed. Keep all receipts and make them available in case questions rise about the services requested and provided.

To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to an Authorized Kia Dealer in the United States during its normal service hours. While any Authorized Kia Dealer will perform warranty service, Kia recommends that when possible you return to the dealership where you purchased your Kia Vehicle in order to ensure continuity in service and maintenance. If you have any questions or need assistance regarding this warranty, refer to "When You Need to Talk to Kia" starting on Page 39.

Other Terms

This warranty is applicable to Kia Vehicles registered and normally operated in the United States.

Service and Maintenance Outside the United States

If you are going to be driving outside the United States, it is important that you contact us at (800) 333-4542 in order to determine what service and warranty coverage is available in the area you will be travelling.

THE DURATION OF ALL IMPLIED WARRANTIES, IF ANY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE LIMITED RESPECTIVELY TO THE DURATION OF THESE EXPRESS WARRANTIES.

THESE WARRANTIES ARE GIVEN IN LIEU OF ALL OTHER EXPRESSED WARRANTIES (EXCEPT ANY SET FORTH SEPARATELY IN THIS MANUAL) ON THE PART OF KIA MOTORS AMERICA, INC. OR THE AUTHORIZED KIA DEALER SELLING YOUR KIA VEHICLE. NO DEALER, OR ANY AGENT OR EMPLOYEE THEREOF, OR ANY OTHER PERSON, IS AUTHORIZED TO EXTEND OR ENLARGE THESE WARRANTIES. KIA MOTORS AMERICA, INC. SHALL NOT BE LIABLE FOR ANY ECONOMIC LOSS, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, OR ANY SERVICE NOT EXPRESSLY PROVIDED FOR HEREIN.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

Anti-Perforation Limited Warranty

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. (“Kia”) warrants that it will arrange for independent Kia brand service facilities at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. Such service facilities will remedy such failures to function properly at KMA’s expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this Manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. If an Authorized Kia Dealer declines or fails to carry out a proper repair or replacement of a factory installed part covered by this limited warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by this Anti Perforation Limited Warranty and, if so, (b) obtain cooperation from an Authorized Kia Dealer to conduct such repair or replacement without charge to you. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The

Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

1. Warranty Period

The warranty period is for the first 60 month/100,000 miles from the date of first retail delivery or when it is first put into service, whichever comes first.

2. What is Not Covered

- Any perforation due to corrosion of the Kia Vehicle which is caused by industrial fallout, accident, damage, abuse, vehicle modifications or damaging or corrosive cargo in the Kia Vehicle.
- Any surface corrosion of the Kia Vehicle which does not result in perforation, such as that caused typically by sand, salt, hail or stones.
- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, “body sheet metal panel” specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or damage resulting from the use of parts not sold or approved by Kia including the resultant damage to associated parts or systems.

- Any perforation due to corrosion of the Kia Vehicle caused in whole or in part by a failure to maintain the Kia Vehicle in accordance with the procedures specified in paragraph 3. “Your Responsibilities”

3. Your Responsibilities

Inspect the body sheet metal panels of your Kia Vehicle on a regular basis (at least monthly) to detect any chips or scratches in the paint or protective coating and to repair them immediately.

Special care should be taken to protect your Kia Vehicle from corrosion under the following conditions:

- If you drive on salted roads, or if you drive near the ocean, flush the underbody as needed, and at least weekly with clean unsalted water.
- It is important to keep the drain holes in the lower edges of the body clear.
- If your Kia Vehicle is damaged due to an accident or any event which may cause damage to the paint, have your Kia Vehicle repaired as soon as possible.
- If you carry special cargo, such as chemicals, fertilizers, deicing salt, or other corrosive substances, be sure that such materials are well packaged and sealed. Any leakage of such materials will void this warranty where the leakage has occurred.
- If you drive frequently on gravel roads, we

recommend that you install stone guards behind each wheel.

4. To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to any Authorized Kia Dealer in the United States during its normal service hours.

If you have any questions or need assistance regarding this warranty, refer to the “When You Need to Talk to Kia” starting on Page 39.

5. Limited Liability

Liability under this warranty is limited solely to the repair or replacement of factory installed parts that fails to function properly. Such repair or replacement shall be carried out by an Authorized Kia Dealer at its place of business. This warranty does not include any other expense, including but not limited to those for any replacement transportation or for the loss of use of your Kia vehicle.

The “Other Terms” stated on page 12 in the New Vehicle Limited Warranty section of this manual also apply to this warranty.

- (c) “Kia Part” means a part sold by an Authorized Kia Dealer, whether new or remanufactured, and supplied by Kia.
- (d) “Emission Warranty Part” means a catalytic converter, thermal reactor, or other component installed on or in a Kia Vehicle by or at the direction of Kia for the sole or primary purpose of reducing the Kia Vehicle’s emissions (not including those vehicle components which were in general use prior to model year 1968 and the primary function of which is not related to emission control). A list of typical Emission Warranty Parts is set forth at the end of this warranty.
- (e) “Certified Part” means a replacement part for a Kia Vehicle certified in accordance with after market part certification regulations issued by the EPA.

Emission Defect Warranty

Vehicles Equipped with a California Certified Emission Control System and registered or normally operated in the State of California or any other state* that adopts California emission warranty provision are also entitled to the California Emission Warranty. (See Page 24 of this Manual).

***California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont or Washington.**

Kia Motors America, Inc. warrants to the ultimate purchaser, and each subsequent purchaser, that your Kia Vehicle is (1) designed, built, and equipped so as to conform at the time of sale with the applicable regulations of the United States Environmental Protection Agency (the “EPA”), and (2) free from defects in materials and workmanship which would cause it to fail to conform with the applicable regulations for a period of vehicle operation that does not exceed 24 months or 24,000 miles, whichever occurs first, if the failed Emission Warranty Part is listed in the 24 Month/24,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty or for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever

occurs first, if the failed Emission Warranty Part is listed in the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty. The applicable warranty period shall begin on either the date the Kia Vehicle is sold to the first retail owner, or on the date the Kia Vehicle is first placed in service (for example if used as a demonstrator, lease, or company car), whichever is earlier. If there should be such defects within this period, Kia will, at its option, repair or replace them with new or remanufactured parts, free of charge at an Authorized Kia Dealer in the United States and the liability of Kia under this warranty is solely limited to such repair or replacement.

This warranty does not apply to or include repair or replacement required, not as a result of defects in materials or workmanship of Kia but, as a result of such factors as (i) accidents, (ii) misuses, (iii) lack of proper maintenance, (iv) repairs improperly performed or replacements improperly installed by any person other than a Kia Dealer, (v) a replacement part or accessory not conforming to the Kia specifications, or (vi) any of the items listed under “What is Not Covered” in the New Vehicle Limited Warranty on pages 9-11 and “Other Items Not Covered by this Warranty” on Page 22 of this manual.

Federal Emission Control Warranty

This warranty is given in lieu of all other express or implied warranties on the part of Kia Motors America, Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

The “Other Terms” stated on page 12 of the New Vehicle Limited Warranty section of this manual also apply to this warranty.

Emission Performance Warranty

Federal Emission Control Warranty

Important Notice:

This warranty has been prepared in accordance with certain regulations promulgated by the EPA which provide that a remedy will be available under this warranty only when a vehicle fails an EPA approved emission short test, generally under circumstances which subject the Owner to a penalty under local, state or federal law because of such failure. As of the date of the printing of this warranty, many states did not have vehicle inspection programs for testing vehicles for conformity with such short test and had not enacted laws subjecting vehicle Owners to such penalties. Therefore, it is possible that in many states or local areas no remedy will be available under this warranty as a matter of law.

1. Warranty

Pursuant to Section 207 (b) of the Clean Air Act, Kia warrants to each Owner that if:

- (a) The Kia Vehicle is maintained and operated in accordance with the Written Maintenance Instructions; and
- (b) The Kia Vehicle fails to conform at any time during the term of this warranty to the

applicable emission standards of the EPA, as judged by an emission test approved by the EPA; and

- (c) Such nonconformity results or will result in the Owner having to bear any penalty or other sanction (including the denial of the right to use the Kia Vehicle) under local, state or Federal law, Kia shall remedy the nonconformity at no cost to Owner except that if the Kia Vehicle has been in operation for more than 24,000 miles or 24 months since the date of retail delivery or first use of the Kia Vehicle, Kia shall be required to remedy the nonconformity only if it results from the failure of an Emission Warranty Part listed on the 96 Month/80,000 Mile Emission Warranty Parts List.

2. Term of Warranty

This warranty shall commence on either the date the Kia Vehicle is sold to the first retail delivery or owner, or on the date the Kia Vehicle is first placed in service (for example, a demonstrator, lease, or company car use), whichever is earlier. This warranty shall be effective for a period 2 years or 24,000 miles

from such date, whichever occurs first, except that if the failure to conform to applicable emission standards results from the failure of a part listed on the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty, this warranty shall be effective for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first.

3. Owner's Warranty Responsibilities

Each Owner is required to comply with the Written Maintenance Instructions and a claim under this warranty may be denied on the basis of noncompliance by the Owner with such instructions. If and when it is considered that the vehicle's nonconformity with the applicable emission standards has resulted from the Owner's noncompliance with those Written Maintenance Instructions which the manufacturer considers necessary for the vehicle to meet the standards, the Owner may be required to submit evidence of such compliance, and therefore, receipts and other documents covering the performance of scheduled Maintenance Service and proper use in accordance with the Written Maintenance Instructions, including but not limited to validated Scheduled

Maintenance Record of this manual, should be retained by the Owner and should be transferred to each subsequent Owner of the Kia Vehicle.

4. Use of Kia Genuine Parts

The Kia Vehicle is designed, built and tested using Kia Genuine Parts so that the Kia Vehicle is able to perform in conformity with EPA regulations as provided by this warranty. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of the Kia Vehicle be Kia Genuine Parts, or parts equivalent to those with which the Kia Vehicle or its engine was originally equipped.

5. Use of Non-Kia Parts

Owner may elect to use Certified Parts other than Kia Genuine Parts in the performance of any maintenance or repairs and such use in itself will invalidate this warranty. However, use of other than Kia Genuine Parts may cause Kia to deny an Emission Performance Warranty claim if the Certified Part used is either defective in materials or workmanship or not equivalent from an emission standpoint to Kia Genuine Parts.

6. Repair or Replacement by an Authorized Kia Dealer

Your Kia Dealer shall make all adjustments, repairs or replacements necessary to assure the Kia Vehicle complies with applicable emission standards of the EPA and that the Kia Vehicle will continue to comply during the remainder of the term of this warranty (if proper maintenance and operation are continued).

7. Warranty Claim Procedures

A warranty claim may be submitted by presenting the Kia Vehicle to any Authorized Kia Dealer during the Authorized Kia Dealer's regular business hours, together with a copy of a failed emissions test. Upon presentation of a claim, Kia shall notify the Owner within 30 days, or such shorter period of time within which repair is required by local, state or federal law, that the claim will be honored or shall provide the Owner in writing with an explanation of the basis upon which the claim is being denied.

Failure to notify the Owner within such time period shall cause Kia to be responsible for repairing the Kia Vehicle free of charge to the Owner, unless such

failure is attributable to the Owner or to events beyond the control of Kia or the Authorized Kia Dealer.

8. Maintenance by Other Than an Authorized Kia Dealer

Maintenance, replacement, or repair of the emission control devices and systems covered by this warranty may be performed by any automotive repair establishment or individual using Certified Parts. However, such non-Kia Certified Parts will not be covered by Kia's emission system warranties should such parts fail at a later date.

9. Consumer Assistance

If you have any questions regarding your warranty rights and responsibilities, you should contact the Kia Motors America, Inc. Consumer Affairs Department toll-free at **1-800-333-4Kia**. Or you may write to: U.S. Environmental Protection Agency Office of Transportation and Air Quality Compliance Division, Light-Duty Vehicle Group Attn: Warranty Complaints 2000 Traverwood Drive Ann Arbor, MI 48105

10. Other Items Not Covered by This Warranty

In addition to the above provisions, this warranty does not cover the following:

- (a) Damage resulting from such factors as accidents, acts of nature or events beyond the control of Kia.
- (b) Any economic loss, incidental, special, consequential, or exemplary damages (whether in contract or tort), including, but not limited to, loss of time, inconvenience, loss of use of the Kia Vehicle, cost of transporting the Kia Vehicle to an Authorized Kia Dealer or other repair establishment for repair or service, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.
- (c) Any repair of a Kia Vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined.

(When replacing the speedometer, the “Speedometer Replacement Record” on the inside front cover must be filled in by an Authorized Kia Dealer or any repair establishment utilizing Certified Parts.)

This warranty is given in lieu of all other express or implied warranties (except those set forth separately in this manual) on the part of Kia Motors America Inc. or the Authorized Kia Dealer selling the Kia Vehicle. California Emission Control Warranty Statement

Your Warranty Rights And Obligations

The California Air Resources Board and Kia Motors America, Inc., are pleased to explain the emission control system warranty on your 2019 Kia vehicle. In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. Kia must warrant the emission control system on your Kia vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your Kia vehicle.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies. Where a warrantable condition exists, Kia will repair your Kia vehicle at no cost to you including diagnosis, parts and labor.

Manufacturer's Warranty Coverage

For 3 years or 50,000 miles, whichever first occurs:

1. If your Kia vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Kia to ensure that your vehicle passes the inspection. This is your emission control system **PERFORMANCE WARRANTY**.
2. If any emission-related part on your Kia vehicle is defective, the part will be repaired or replaced by Kia. This is your short-term emission control system **DEFECTS WARRANTY**.

For 7 years or 70,000 miles for emission related parts, whichever first occurs (8 years or 80,000 miles for Federal Emission Control Warranty) :

If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by Kia. This is your long-term emission control system **DEFECTS WARRANTY**.

For 2019 SULEV (Super Ultra Low Emission Vehicle) vehicle certified as partial zero-emission vehicle (PZEV) only, all parts covered under the **PERFORMANCE WARRANTY** and the **DEFECT WARRANTY**, which are listed in this warranty booklet on the Emission Warranty Parts List, are warranted for 15 years or 150,000 miles, whichever occurs first.

Owner's Warranty Responsibilities

As the Kia vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Kia recommends that you retain all receipts covering maintenance on your vehicle but Kia cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Kia vehicle to a Kia dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the Kia vehicle owner, you should also be aware that Kia may deny you warranty coverage if your Kia vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact Kia Motors America, Inc., Consumer Affairs Department at **1-800-333-4542** or the California Air Resource Board at 9528 Telstar Avenue, El Monte, CA 91731 (1-800-242-4450).

Coverage

Kia Motors America, Inc. (Kia), warrants to the owner that any vehicle certified for sale in the State of California and registered in the State of California is designed, built and equipped so as to conform with the emissions standards adopted by the California Air Resources Board. Kia warrants that this vehicle is free from defects in material and workmanship which would cause any part on this vehicle which affects emissions to fail to conform with applicable requirements or to fail to pass a required state smog check test for 3 years or 50,000 miles, whichever occurs first. Kia also warrants that, any part on the warranted emissions parts list in this warranty and installed as original equipment, is free from defects in material and workmanship which would cause this vehicle to fail to conform with applicable regulations for 7 years or 70,000 miles, whichever first occurs.

Warranty Service

To obtain warranty service, return the vehicle to any authorized Kia dealer. Service will be performed without charge for diagnosis, parts and labor. In case of emergency, see Emergency Service Instructions.

Exclusions

This warranty does not apply to failures caused by abuse, tampering or lack of maintenance; or to any vehicle on which the odometer mileage has been altered so that the vehicle's actual mileage cannot be determined.

STATEMENT OF OWNER'S RIGHTS AND OBLIGATIONS

What Is Covered By The Warranty

If a vehicle fails a state Smog Check test during the coverage period, Kia will repair the vehicle so that it will pass a state Smog Check retest. The owner should take the vehicle to any authorized dealer for Warranty repairs and present a copy of the failed Smog Check test report to the dealer. If the owner is not notified within 30 days that a performance warranty claim is not valid then the manufacture is required to repair the vehicle free of charge.

In addition, if a warranted part fails because of a defect, Kia will repair or replace it at any authorized Kia dealer. Any other parts damaged by the failure of a warranted part will also be repaired or replaced. The repair and/or replacement will be made at no charge to the owner for parts, labor and diagnosis. For emergency situations, see the instructions under Emergency Service.

How Long Does The Warranty Last

The warranty shall apply for 3 years or 50,000 miles, whichever occurs first, except that those parts listed on the warranted parts list are covered for 7 years or 70,000 miles, whichever first occurs. For 2019 SULEV(Super Ultra Low Emission Vehicle) vehicle certified as partial zero-emission vehicle(PZEV) only, all parts covered under the PERFORMANCE WARRANTY and the DEFECT WARRANTY, which are listed in this warranty booklet on the Emission Warranty Parts List, are warranted for 15 years or 150,000 miles, whichever occurs first. Where parts are scheduled for replacement as required maintenance, the warranty shall apply until the first scheduled maintenance point listed in the Owner's Manual. This warranty begins on the date the vehicle is delivered to the original purchaser or on the date the vehicle is first placed in service, whichever occurs first.

What The Owner Must Do

It is your responsibility to perform the required maintenance and use the vehicle in accordance with Kia's written instructions. Warranty coverage will not be denied solely because there is no record of maintenance. However, failures caused by lack of required maintenance are not covered by the warranty. To avoid questions as to whether the vehicle maintenance has been performed, Kia urges that you retain all receipts and/or maintenance records indicating that service has been performed on the vehicle and these documents should be transferred to any subsequent owner of the vehicle.

Service

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET OR BY THE OWNER. HOWEVER, EXCEPT IN AN EMERGENCY SITUATION (SEE EMERGENCY SERVICE), WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED KIA DEALER.

Parts

IT IS RECOMMENDED THAT ANY REPLACEMENT PARTS USED FOR MAINTENANCE OR FOR THE REPAIR OF EMISSIONS CONTROL SYSTEMS BE NEW, KIA GENUINE PARTS. However, the warranty obligations are not dependent upon the use of any particular brand of replacement parts. The owner may elect to use non-Kia parts for maintenance purposes. Use of replacement parts which are not of equivalent quality may impair the effectiveness of emissions control systems.

What Is Not Covered By Emission Warranty

Malfunctions in any part caused by misuse, alteration, tampering, disconnection or improper or inadequate maintenance.

Damage to catalytic converter due to use of leaded gasoline.

Damage resulting from fire, accident, negligence, act of God or other events beyond the control of Kia.

Maintenance replacement parts (such as spark plugs) beyond the first scheduled replacement point.

Incidental or consequential damages such as loss of use of the vehicle, loss of time, inconvenience, expense for gasoline, telephone, travel or lodging.

Any vehicle on which the odometer mileage has been altered so that actual vehicle mileage cannot readily be determined. (When the Owner replaces the speedometer or has it replaced by a repair facility, then the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer.)

Loss or damage to personal property, loss of revenue, commercial loss or other matter not specifically included.

Damage resulting from the use of a non-Kia part.

Emergency Service

If emergency Emission Control System Warranty service is required and the owner is unable to readily locate an authorized Kia dealer or if a warranted part is not available within 30 days, then, repairs may be performed at any available service establishment, or by the owner, using any replacement part. Kia will reimburse the owner for the owner's expenses including diagnostic

charges for such emergency repair or replacement at Kia's suggested retail price for all warranted parts replaced and labor charges based on Kia's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. Replaced parts and copies of paid original receipts must be available for presentation to Kia as a condition of reimbursement for these emergency repairs. In addition, the owner must provide Kia a detailed description indicating why the situation was considered an emergency and why an authorized Kia dealer was not available. Additional information may be obtained by calling **1-800-333-4Kia**. A repair not being complete within 30 days constitutes an emergency.

ATTACHED IS A LIST OF COMPONENTS WARRANTED AGAINST DEFECTS IN MATERIAL AND WORKMANSHIP FOR 7 YEARS OR 70,000 MILES ON VEHICLES/ENGINES AS NOTED.

Replacement Parts and Accessories Limited Warranty

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. (“Kia”) warrants that it will arrange for an Authorized Kia dealer at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. Authorized service facilities will remedy such failures to function properly at Kia’s expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. When an Authorized Kia Dealer makes necessary repairs pursuant to the warranty, it may do so using parts that are new, repaired, remanufactured, reconditioned, or otherwise authorized by Kia. These parts will be covered by the terms and conditions of the Replacement Parts and Accessories Limited Warranty. If an Authorized Kia Dealer declines or fails to carry out a proper repair or replacement covered by this limited

warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by Replacement Parts and Accessories Limited Warranty and, if so, (b) obtain cooperation from an Authorized Kia Dealer to conduct such repair or replacement without charge to you. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

This warranty covers Kia Genuine new or remanufactured replacement parts and Kia Accessories supplied from Kia Motors America, Inc. and sold by an Authorized Kia Dealer. This includes Kia Accessories installed by an Authorized Kia Dealer or Kia Motors America, Inc. prior to the retail delivery of a new Kia Vehicle.

Genuine replacement battery fails during the last 24 months of the 36-month warranty period, you will receive a pro-rated credit toward the purchase of a new Kia battery. You are responsible for all diagnostic, labor and installation charges.

If you have not contacted Kia Motors America, Inc. first regarding your complaint, the arbitration process will take no longer than 47 days.

You must use BBB AUTO LINE prior to seeking remedies available to you through a court action pursuant to the Magnuson-Moss Warranty Act (the "ACT"). In addition, you must use BBB AUTO LINE if you are required to do so prior to seeking remedies available under the "Lemon Law" of your state. However, if state law permits and if you choose to seek remedies which are not created by the Act, you are not required to use BBB AUTO LINE, although that option is still available to you. The following section has been developed with information on contacting Kia and on the basic provisions of your State's "Lemon Laws". In some states, your Kia dealership may provide you with Lemon Law disclosure information in addition to the booklet in accordance with state law. Other states may have their own state-operated complaint resolution processes. Your eligibility for this program is determined by your vehicle's age, mileage and other contributing factors.

1. Kia participates in BBB AUTO LINE, a mediation/arbitration program administered by the Council of Better Business Bureaus (33033 Wilson Blvd. Suite 600, Arlington, VA 22201) through local Better Business Bureaus. BBB AUTO LINE and Kia have been certified by the Arbitration Certification Program of the California Department of Consumer Affairs.

If you have a problem arising under a Kia's written new vehicle warranty, we encourage you to bring it to our attention. If we are unable to resolve it, you may file a claim with BBB AUTO LINE. Claims arising under a Kia's written new vehicle limited warranty must be filed with the BBB within six (6) months after the expiration of the warranty.

To file a claim with BBB Auto Line, call 1-800-955-5100. Your call will be automatically directed to the appropriate BBB AUTO LINE office in California. There is no charge for this call.

BBB staff may try to help resolve your dispute through mediation. If mediation is not successful, or if you do not wish to participate in mediation, eligible consumers may present their case to an arbitrator at an informal hearing. The arbitrator's decision should ordinarily be issued 40 days from the time your complaint is filed (47 days if you did not first contact Kia about your problem), or a delay of up to 30 days if the arbitrator requests an inspection/report by an impartial technical expert or further investigation and report by BBB AUTO LINE.

3. California Civil Code Section 1793.2(d) requires that, if Kia or its representative is unable to repair a new motor vehicle to conform to the vehicle's applicable express warranty after a reasonable number of attempts, Kia may be required to replace or repurchase the vehicle. California Civil Code Section 1793.22(b) creates a presumption that Kia has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles on the vehicle's odometer, whichever occurs first, *one or more of the following occurs*:

NOTICE TO CONSUMERS STATE OF NEW HAMPSHIRE MOTOR VEHICLE ARBITRATION BOARD

The New Hampshire New Motor Vehicle Arbitration Law, RSA 357-D, applies to new motor vehicles sold or leased (for two or more years) in the State of New Hampshire. A new motor vehicle is defined as a passenger vehicle, motorcycle, or truck with a gross vehicle weight not exceeding 11,000 pounds.

If, during the express warranty period, you discover a defect which substantially impairs the use, market value, or safety of this vehicle, and it has not been successfully repaired after three repair attempts by the manufacturer, its agent, or an authorized dealer, or it has been out of service by reason of repair of one or more nonconformities, defects, or conditions for a cumulative total of thirty business days, you may be entitled to apply for a comparable replacement or a refund of purchase price plus incidental damages less a reasonable allowance for use.

In order for a repair attempt to qualify, you must obtain a written repair order. Neither the manufacturer nor any agent of the manufacturer (including the dealership service) may refuse to provide you with a written repair order at your request.

The vehicle is deemed to be out of service if it is in for repair for a majority of the day.

You cannot use the New Motor Vehicle Arbitration Law if you elect to use the manufacturer's dispute settlement mechanism.

You may not use the New Motor Vehicle Arbitration Law if you have stopped making payments on any lease or financing agreement because of the vehicle's condition.

The New Hampshire Motor Vehicle Arbitration Program includes other eligibility requirements which you must meet to qualify.

Forms for electing to proceed before the New Hampshire Motor Vehicle Arbitration Board should be included with your new vehicle on delivery.

For information as to your rights under the New Motor Vehicle Arbitration Law or for additional forms, contact the **New Motor Vehicle Arbitration Board, 23 Hazen Drive, Concord, NH 03305, telephone (603) 227-4385, email at lemonlaw@nh.gov**, or your dealer.

NOTICE TO CONSUMERS STATE OF VERMONT

The Vermont Lemon Law applies to new motor vehicles sold or leased (for two or more years) or registered in the State of Vermont.
